

Visual Art Competition

Call for Submissions

Closing Date: September 9th 2019

12pm PST

Competition Overview

YCM is holding a competition to select two original works of art to be used as achievement awards for the 2019 Yukon Geoscience Forum. Winning submissions will be selected by a jury of professional artists and industry representatives, and must be completed and delivered to YCM by September 9th, 2019. At that time, the work will become the property of the Yukon Chamber of Mines.

Work may be in any visual media (e.g. pencil or pen & ink, painting, textile, sculpture, carving, photography, etc.) and should reflect a theme of mining & exploration, minerals, or northern subject matter.

Artists may submit a maximum of three pieces for consideration. No more than one submission per artist will be select-ed to win. Preference will be given to Yukon artists.

The artists of the chosen works will receive an artist's fee of up to \$1,500. Images of the artwork will be featured with an artist's credit on our website and in next year's Mining and Exploration Directory.

Submission Instructions

To participate in this competition, please send the following items to communications@yukonminers.ca by the deadline with the subject line

"Submission for Geoscience Art Competition."

- A pdf or jpeg image of the original artwork (for selection purposes only: original artwork will be requested upon announcing contest winners.).
- Artist's name, bio, and information for artist's credit (e.g. website, if applicable).
- A short (100-300 word) description of the artwork and media used.

For more information about this competition, please contact Yukon Chamber of Mines at 667.2090 or communications@yukonminers.ca
